

## FACT SHEET 2018

### ABOUT US

Baron Design Inc is a full-service interior design firm specializing in creating distinctive, customized, quality architectural interiors while ensuring smooth, cost efficient, time-sensitive project management. After ascertaining goals, requirements, needs and preferences, Jonathan Baron works with the client to plan and craft appropriate environments which will be conducive to the particular project. Jonathan Baron has an array of satisfied clients and completed projects, including showrooms, hotels, corporate offices, physicians and dental offices, lobbies, restaurants and private residences, among others. The firm handles not only design conception and consultation in selecting appropriate consultants, vendors, fabrics, materials and contractors, but also provides space planning services for maximum efficiency which inculcates a sense of security and comfort among both visitors and staff. Finally, the firm works closely with the client to develop and meet budgets and deadlines.
