Here is what our exhibitors say about our Expos:

"The turnout was nothing short of phenomenal! We were so busy meeting and greeting visitors at our booth that at the end of the day we could still feel the adrenaline flowing."

Franklin Cruz
President
Direct Environmental Corp.

"We've been exhibiting at the expo for decades, and this year was the best show yet. The quality of the people who came by our booth was exceptional. We come to this show to see our customers, and they came to us."

Ron Garfunkel
President/CEO
SDI Laundry Solutions

"The show has resulted in business that more than covered the cost of the event. We stayed open until the end of the show at 5 p.m. Leads captured at the end of the day resulted in much of the business we generated during the Expo."

Jeffrey Dworkin
President
Ecology Exterminating Service

"In the months following our exhibit, our sales increased drastically. The show not only paid for itself but also made the company a great profit. I'm not only looking forward to the larger booth that I registered for but also to the future exhibits that I will be more than happy to participate in."

Salvatore Bacarella
President
Garden Works
