

Protect your property from costly, unplanned repairs with a service contract covering exterior water, sewer and fire service lines.

## Why Choose Our Protection Plan? The Answer is Cymple.

-  **Protect Against Unexpected Capital Expenses**  
Water, sewer and fire line failures in NYC can easily cost \$40,000–\$100,000 to repair.
-  **Comprehensive Underground Coverage**  
Covers your water, sewer and fire lines - no deductible.
-  **Provides Peace of Mind for Boards & Owners**  
Stabilize budgets by controlling unexpected expenses, minimizing downtime and ensuring critical services are restored quickly.
-  **24/7 Emergency Response**  
Rapid, around-the-clock emergency dispatch with priority service for plan members.
-  **NYC-Licensed Expertise**  
We partner with licensed and insured NYC plumbing and contract professionals.
-  **One Cymple Call for Service**  
We coordinate everything, including city permits - repairs begin within 12 hours.
