Pharaohs Restoration Corporation

PORTFOLIO

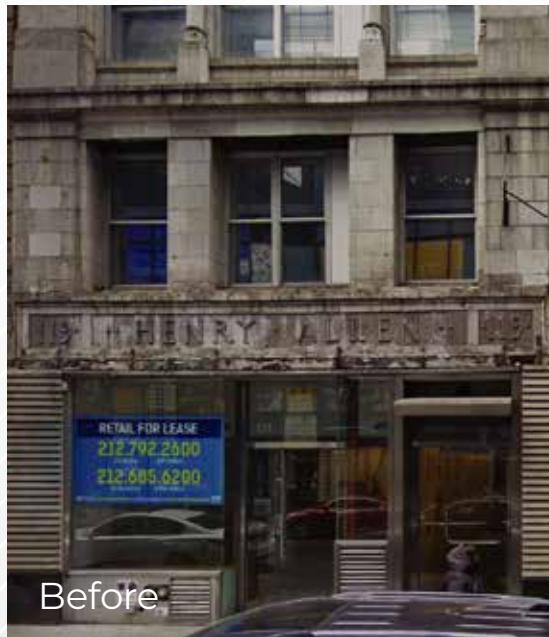

About Us

Pharaohs Restoration Corp. was established in 2022, drawing on a wealth of diverse experience from seasoned professionals in the construction and restoration industry. Our aim is to manage and execute projects of any size and nature, consistently maintaining the highest standards of quality from inception to completion. We blend innovative techniques with time-tested practices to deliver results that exceed expectations, ensuring every project reflects our commitment to excellence and client satisfaction.

Our Mission

Our mission is to restore buildings in the New York Metropolitan area, ensuring they are safe and compliant with city regulations. We aim to be the most reliable and innovative construction partner, delivering exceptional and measurable value to each client.

Before

After

At Pharaohs, we prioritize assisting clients in making informed business decisions tailored to their specific project needs. Since our inception, we have grown into a respected construction company, earning the trust and loyalty of new and returning clients in a dynamic and challenging industry.

Our Vision

At Pharaohs Restoration Corp., our vision is to lead the restoration industry in the New York Metropolitan area by pioneering sustainable and technologically advanced solutions that preserve architectural heritage while adapting to modern demands.

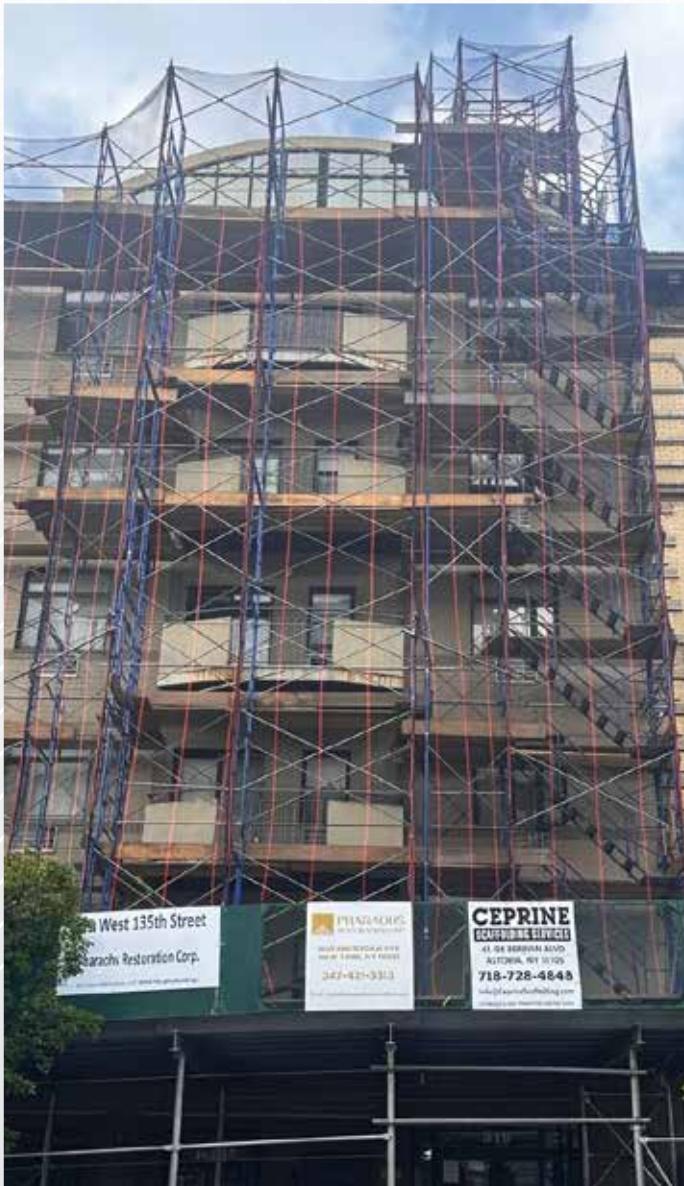

We envision a future where every building we touch not only meets but anticipates regulatory and environmental standards, fostering safer, more resilient communities. Through continuous innovation and collaboration, we aspire to set new benchmarks for quality, efficiency, and client-centric service, becoming the go-to partner for transformative restoration projects that stand the test of time.

Core Values

Our core values form the foundation of everything we do at Pharaohs Restoration Corp. Integrity guides us to operate with honesty and transparency in all interactions. Excellence drives our pursuit of superior craftsmanship and attention to detail. Safety is non-negotiable, ensuring the well-being of our team, clients, and the public.

Innovation encourages us to embrace cutting-edge methods and sustainable practices. Client Focus means we tailor our services to meet unique needs, building lasting partnerships based on trust and mutual success. These values inspire our team to deliver outstanding results every day.

Safety

Our strategy for Risk Management involves tailored safety planning for each project. Understanding that every project presents its own challenges, we implement comprehensive preventative measures to safeguard our clients, workers, and the public in and around our job sites. At Pharaohs, we believe that achieving our safety objectives is a collective responsibility across the company. We accomplish this by promoting open communications and planning for the specific realities of each project, while ensuring that all employees—both in the field and office—are trained in industry-leading safety practices.
