OUR SERVICES

Maintenance

Best in class & code compliant preventative maintenance program, complete with all required safety testing keeps your elevators running smoothly and safely.

Violation Remediation

We are fully licensed with the NYC Department of Buildings and our expediting staff is able to navigate the process, clearing violations quickly and efficiently.

Service On-Demand

Vertical transportation is critical to the operation of your building, if something goes wrong we are there for you 24/7/365 with prompt response times and timely repairs.

Advance Your Equipment

As equipment ages, performance can suffer. We provide a fully array of component upgrade options to improve your elevators performance as time goes by.

MODERNIZATION

Looking to refresh your cab interior and upgrade your elevator system to the latest and greatest technology? Our experienced team is ready to walk you through the process from budgeting to turnover of your brand new elevator system.

NEW INSTALLATIONS

We offer a complete line of *NON-PROPRIETARY* new elevator installations from low rise hydraulic systems to mid rise machine room less applications up to high rise buildings with destination dispatching systems.
