

INDUSTRIES CORP.

ABOUT US

Exo Industries Corp, a general construction company, has been operating since 2012. Based in Woodside, Queens, NY, their 12,000 square feet office and warehouse enable efficient service throughout NYC and Long Island. With 30 years of combined expertise, Exo Industries is highly regarded in the industry. Their specialization in exterior and interior renovations, coupled with exceptional workmanship, sets them apart. The company's success is attributed to their unwavering focus on customer satisfaction, ensuring clear communication, attention to detail, and professionalism. Exo Industries goes beyond being a contractor, striving to create spaces that reflect their clients' visions and aspirations. Their commitment to delivering superior results has earned them a strong reputation and a loyal client base.
