

Janitorial / Maintenance

Planned Building Services, founded in 1898, has a proud history in the janitorial and building maintenance industry. Our mission is to make buildings cleaner, resulting in better and healthier environments for the tenants, residents and associates of the communities and businesses we serve.

Concierge / Front Desk

Planned Lifestyle Services provides our clientele with the highest level of professional service and responsiveness. Our Lifestyle Services division provides front desk, concierge and doormen services for corporate, commercial, retail and residential customers.

Courtesy Patrol

Planned Companies' objective is to make buildings safer and more secure, and as a result improve the lives for the tenants, residents and communities that we service. Planned's passion is providing customized courtesy patrol solutions, tailored to fit our clients' unique needs.
