

ENGAGE & TRANSACT

# Make Property Management WAY Easier & Faster

### Rent/HOA Payments

Enjoy lightning-fast rent/HOA payment processing, with multiple payment options available.

### Security Deposit Management

Simplify security deposit management with our intuitive system, offering features like easy deposit reversals for added convenience and peace of mind.

### Digital Wallets & Banking

Seamless financial management. Pay bills, access banking services, and receive issued debit cards for convenience.

### AP Payments

Prisma seamlessly integrates with your PM software and business systems, providing a robust, unified solution.

### Maintenance Requests

Submit maintenance requests via Prisma Resident Portal, seamlessly integrated with your PM Software for easy staff supervision.

### Email / SMS Messaging

Streamline resident inquiries and ensure prompt responses with our intuitive messaging platform.

### Announcements

Keep everyone in the loop with important updates, events, and news—all in one convenient place.

### Documents

Streamline document storage for easy access and organization.

### Websites

Create beautiful, customizable websites for your properties that are fully integrated with Prisma's leasing tools.

### Leasing

Simplify leasing with our user-friendly system, ensuring efficiency and ease throughout the entire process.

## Let's Modernize The Way You Manage

Get paid faster. Interact with your residents in an all-in-one, organized system. Outsource your leasing needs. All of this comes with a white-glove customer service experience at Prisma.
