Est. 1963

## ABOUT US

For more than 55 years, Strongwater Group Services has built an impeccable reputation for helping families, businesses and entire communities recover their losses and get back on their feet, with maximum efficiency and minimal disruption to their daily lives. We understand the importance of having a professional support system working with you during stressful situations. Our team is comprised of knowledgeable professionals, who can handle the full breadth of your needs, from insurance claim resolution to the remediation and reconstruction of your property. Our ultimate goal is to provide the highest level of service to every single customer. We'll guide you through the entire process, to ensure that your property is successfully restored to its former condition.

We specialize in Condos, Coops, Apartment Buildings, Commercial Office Buildings and Retail Spaces.

Our remediation and restoration experts are ready to take action at a moment's notice. They are highly trained, licensed and insured. One of our seasoned project managers will work with you to create a customized plan to handle every aspect of your loss, with an expedited timeline to meet your needs. We can also help you accurately assess the damages and facilitate reliable, equitable insurance claim outcomes.

**Your emergency is our top priority!**

To help you reach us whenever you have questions, we'll provide you with our cell phone numbers, even the numbers of our senior team members. That's our commitment to your satisfaction! From the heartbreak of a multi-residential unit fire, to the widespread devastation of a natural disaster, Strongwater Group Services works on-site, shoulder-to-shoulder, start to finish, with public adjustment firms, government agencies, insurance brokers, and property owners. We accurately assess the damage and facilitate reliable, equitable insurance claim outcomes. We take great care to ensure that the property of every customer we work with is restored to its pre-disaster state. As personable as we are professional, our expertise has proven invaluable to countless clients over the decades!

## SERVICES

### Water Damage

Emergency water extraction, structural drying services, HEPA vacuuming, complete remediation & restoration.

### Fire Damage
