

Put our Verizon program to work for you.

Leverage the collective spending power of residents to secure rates for Fios services they would not be able to get on their own.

- Differentiate your property with high-tech, award-winning service
- Keep residents in your community longer by including Fios as a standard amenity that other communities may not offer
- Control expenses with discount rates for bulk services in five-year terms or longer

To get your exclusive discount rate, contact your Business Development Manager today.

Verizon Enhanced CommunitiesSM Value Program

Get Fios® for your building at a great low price.

fios✓

A high-tech amenity your residents want.

Ultrafast, reliable internet is a key factor for home buyers and renters. With fierce competition to attract new residents, high-tech amenities can set you apart. And Fios can be a great differentiator for you.

Consider the findings of this industry research:

- Fios is the fastest Internet in the U.S.*
- Rated #1 in satisfaction with speed and reliability 13 years in a row in PC Magazine's Readers' Choice Survey^

Reap the benefits of the Fios network.

The Verizon Enhanced Communities (VEC) Value Program lets you order Fios in bulk, at a substantially discounted rate. That's industry-leading Fios TV, Internet and Phone service for all your residents.

Residents also have access to the enhanced options and benefits below:

- Installation by our expertly trained Fios technicians
- Dedicated support team to place orders or request customer support
- The ability for residents to upgrade or add additional services to suit their needs

Fios Internet

Residents can enjoy the fastest internet available.† Along with our most powerful Wi-Fi router, they can also choose:

- Fios Internet speeds from 100/100 Mbps to Fios Gigabit Connection with speeds up to 940/880 Mbps, where available

Fios TV

On the 100% fiber-optic network, residents get stunning picture and sound quality, plus:

- Choice of TV packages from 15 up to 425+ channels
- The ability to stream on the go with the Fios TV app‡

Fios Digital Voice

Residents can get unlimited local, regional and long-distance calling across the U.S., Canada and Puerto Rico, plus:

- 99.9% network reliability
- 30+ features including caller ID, spam call blocking and voicemail
