CUSTOM DESIGN & COVERAGE

We work with you to customize a surveillance solution that meets your property's needs. Whether it's covering your entire community or focusing on key areas like the front gate and leasing office, our team collaborates with you throughout the entire process from start to finish. Watchtower can create a computer-aided design (CAD) drawing for your new construction project or retrofit existing properties. Our thorough and turnkey process ensures optimal coverage while eliminating any surprise costs. No matter the size or complexity of the system, you can rest assured that everything is tailored to your needs and budget from the start.

UNLIMITED FORENSIC REVIEWS*

Need video footage for incident reporting? Just notify us, and we'll provide a detailed document with images and timestamps, simplifying your process.

NO-FAULT WARRANTY

Watchtower maintains and services your entire surveillance system at no cost for the duration of your contract. If anything goes wrong, we handle repairs and maintenance, ensuring your system is always up and running without additional expense to you.

LOCAL LAW ENFORCEMENT COLLABORATION

Property managers can opt to grant local law enforcement access to the system, enabling them to log in and retrieve video footage during investigations. This access not only streamlines incident resolution but also enhances collaboration between property managers and law enforcement.

SUBPOENA SUPPORT & RECORD AUTHENTICATION

In the event of legal action, Watchtower provides assistance with record requests or subpoenas from third parties for any records retained by Watchtower. Our qualified team members are available to testify in court, ensuring you have the documentation and record authentication you need during legal proceedings.
